

KMC Dance UPDATE:

For the health and safety of our dancers, dance families, & community, **KMC Dance will require all students and staff to wear masks for all classes starting Tuesday, September 7, 2021.**

CORRECTION: Our lobbies are open to LIMITED capacity. All must be fully masked prior to entering.

*Please note: we will constantly be reevaluating our policy as conditions and regulations change.

This policy is being put into effect following the Governor's recent announcement of a mandate for universal masking for all staff, visitors and students, regardless of vaccination status, in all K-12 schools and child care settings. This takes effect September 7, 2021 in the state of Pennsylvania. This mandate is in line with the current recommendations from the CDC, American Academy of Pediatrics, PA Health Department and Chester County Health Department.

Keeping the kids and staff safe and the KMC Dance doors OPEN are our top priority!

We kindly ask that students and staff stay home when they have signs of any illness. We would also be grateful if you would let our staff know if your child tests positive for COVID at any time so that we can take appropriate measures.

We deeply appreciate your understanding & cooperation during this time as we continue to navigate the everchanging regulations/guidelines and continue to fight the battle of this nasty virus.

We understand that NONE of this is ideal, but having to dance on zoom is WAY LESS than ideal.

Let's get in the studio & have a Fun-filled, Loud & Proud year of Dancing Fun!

For any further questions, please email Tabitha.colmary@kmcdance.org . Thank you in advance for allowing 1-2 business days response time.

With Love & LOTS of KMC Dance Spirit!
Your KMC Dance Team
