

DRESS CODE

9.20.26tf 1.

Proper dress is required at all times. Appropriate dancewear enables the student to participate fully in class and maintain a disciplined attitude. Street wear and loose or baggy clothing hinders the teachers' ability to monitor body placement and make the appropriate corrections.

In order to maintain uniformity, please follow the dress code outlined below.

Supplies are available to order through the KMC Dance Boutique or thru the Dance Wear Corner website: <https://dancewearcorner.com/pages/studio/kmc-dance>

SUPPLY STORE / STYLE CHANGE NOTE:

As our previous shoe company, DDS, has changed ownership, KMC Dance will now be working with a new dance shoe supply company. As a result, you may notice some changes in the styles/brands of required dance shoes and attire.

Please do NOT feel that you need to replace items you already have! If a new style is introduced, previous/older styles will continue to be accepted as long as they are still in good condition and meet the needs of the class.

Our goal is to make this transition as easy and affordable as possible for our KMC families! ❤️
