

HOW DOES A KMC DANCE RECITAL WORK?

11.5.24tc

“Recital Week” is June 8-14, 2025

→ Generally, ALL “younger classes” will only be assigned to ONE SHOW.

Therefore all classes will have ONE Stage Rehearsal slot & ONE Dress Rehearsal Day.

*Show assignments can be found on our class schedule charts

OUR KMC DANCE “Recital Week” will look something like this:

1. **MOVE IN DAY:** Sunday, June 8: 9am-11am

Our technical team & parent volunteers help to get us all moved out of the studio & into the school!

2. **STAGE REHEARSALS:** Sunday, June 8: SELECT TIMES BETWEEN 12pm - 3pm

*** for Preschool & Kinder dance students ONLY ***

A “STAGE Rehearsal” is when your child’s class will come to the school to become acquainted with their new surroundings. We introduce the stage and “behind the scenes”.

The dancers get to practice on the big stage and then go for a little guided tour of the areas that we will be utilizing.

Your dancer will attend this rehearsal in their standard class attire, with their dance shoes.

NO costumes, no stage makeup, no show hair.

This rehearsal is usually a total of 20-30 minutes per class. It is an **assigned time**; come & go schedule.

There will be a specific schedule released that will tell you your “arrival times” and rehearsal times.

We do our VERY best to create everyone’s schedules as hassle-free as possible.

But of course, we all know that we cannot make everyone’s schedule the perfect scenario. But we sure try!

3. **DRESS REHEARSALS:** (See Dates Below)

A “DRESS Rehearsal” is when your child’s class will come to the school, pretending it is the actual show day!

Dancers arrive in their FIRST costumes and bring all further costumes & shoes as well as wear stage makeup & “show hair”!

This gives the kiddoes (and YOU) a more in depth understanding of how their Recital Night will be!

Dancers will wait “backstage” in the dressing rooms until it is their turn to dance & then return backstage until their next dance OR dismissal time. **Dancers remain backstage the entire time.**

This rehearsal usually lasts a couple of hours. We rehearse all of our TECH queues as well.

We want our show to be as perfect as can be!

We do our very best to build our shows accommodating the various ages we have in our program.
