

HOW DOES A KMC DANCE RECITAL WORK?

“Recital Week” is June 9-16, 2024.

→ **Generally, ALL classes will only be assigned to ONE SHOW.**

(With the exception of our older dancers in Levels 1/2/3)

Therefore all classes will have ONE Stage Rehearsal slot & ONE Dress Rehearsal Day.

***Show assignments are being constructed at this time!**

Stand by for the release of your dancer's Show Assignments.

→ **Broken down, our “Recital Week” will look something like this:**

1. MOVE IN DAY: Sunday, June 9th

Our technical team & parent volunteers get us all moved into the school!

2. STAGE REHEARSALS:

**Monday, June 10th - SELECT TIMES BETWEEN 3:30pm - 8:30pm
for Preschool, Kinder, Elementary & Intermediate students**

A “STAGE Rehearsal” is when your child's class will come to the school to become acquainted with their new surroundings. We introduce the stage and “behind the scenes”.

The dancers get to practice on the big stage and then go for a little guided tour of the areas that we will be utilizing. Your dancer will attend this rehearsal in their standard class attire, with their dance shoes.

NO costumes, no stage makeup, no show hair.

This rehearsal is usually a total of 20-30 minutes per class. It is an assigned come & go schedule.

There will be a specific schedule released that will tell you your “arrival times” and rehearsal times. We do our VERY best to create everyone's schedules as hassle-free as possible. But of course, we all know that we cannot make everyone's schedule the perfect scenario. But we sure try!

3. DRESS REHEARSALS:

Tuesday, June 11th - “SHOW A” DRESS REHEARSAL:

this rehearsal will be for all students who are assigned to SHOW “A”

Wednesday - June 12th - “SHOW B” DRESS REHEARSAL:

this rehearsal will be for all students who are assigned to SHOW “B”

Thursday, June 13th - “SHOW C” DRESS REHEARSAL:

this rehearsal will be for all students who are assigned to SHOW “C”

A “DRESS Rehearsal” is when your child's class will come to the school, pretending it is the actual show day! Dancers bring all their costumes and shoes and wear stage makeup and “show hair”! This gives the kiddoes (and YOU) a more in depth understanding of how their Recital Night will be! Dancers will wait “backstage” in the dressing rooms until it is their turn to dance & then return backstage until their next dance OR dismissal time. Dancers remain backstage the entire time. This rehearsal usually lasts a couple of hours. We rehearse all of our TECH ques as well.

We want our show to be as perfect as can be! We do our very best to build our shows accommodating the various ages we have in our program.

4. SHOW DAYS:

Friday, June 14th - 6:00pm SHOW A Recital

Saturday, June 15th - 1:00pm SHOW B Recital

Saturday, June 15th - 6:00pm SHOW C Recital & “Senior Night”

5. CLEAN UP & MOVE OUT MORNING: Sunday, June 16th

Our technical team & parent volunteers get us all moved OUT of the school!

*We hope this little guide helps you to better understand how we structure our end of the year Recital!
It's a BIG deal for us KMCers!*
