Class Expectations & Studio Policies

- ✓ Please continually monitor your emails, bulletin boards, Facebook & Instagram for all dance related notices!
- ✓ DO NOT TALK DURING CLASS. But, please always feel free to ask your teacher questions PERTAINING to class content & respond out loud to your teacher when you are addressed.
- ✓ **Be sure to thank your teachers after each class. They will appreciate your thoughtfulness.**
- ✓ We have many working professionals among our team of instructors. If your class happens to have a substitute teacher, you are still expected to attend your classes and treat that substitute with the same respect as your own instructor.
- ✓ **PRACTICE! PRACTICE! PRACTICE!**
Progress depends heavily on proper attendance. Consistent attendance and out of class practice plays a vital role in class advancement. Each student must take the responsibility to learn techniques properly and thoroughly by attending classes regularly.

**PLEASE COMMUNICATE with your instructors and the Dance Program Director should you miss multiple classes! (If a dancer misses 3 consecutive classes and the office has not been contacted, an office administrator or your dance instructor will follow-up with an email &/or phone call.)
- ✓ Missed classes must be made up within 30 days. You may register for makeup classes through your parent portal. The studio office can help you select the appropriate class/es for makeups. Please inform the instructor if you are visiting for a make-up class.
- ✓ We completely respect and encourage our dancers to use their training to the fullest!!
WE LOVE seeing our dancers excel and watching dreams come true, whether it be in the performing arts or other-wise! **HOWEVER, we need to be in the know! COMMUNICATION IS KEY!**
- ✓ ***PLEASE NOTE: Successive tardiness or absences during "recital season" could result in removal from sections of choreography.***
