“STAGE HAIR 101”:

- Arrive to picture day, dress rehearsal, and show days with your child’s hair ALREADY fixed in their specific “ballet bun”.
- First dampen the hair with a wet comb and gel.
- Pull the hair into a tight ponytail and secure it with an elastic hair fastener.
- Twist the ponytail slightly before beginning to wind it, so that it stays together like a rope.
- **No wisps of hair should be free**, including pieces around the ears and nape of neck.
- **Use a “hair net” around the ballet bun.**
- Use a lot of hair spray. The hair should be stiff (and “crunchy”) to the touch.
- Do not allow rubber bands/barrettes to show. If there is a need to have barrettes make sure they are the same color as the hair.
- For students with shorter haircuts... a nice, simple, style will be acceptable... **no extra ribbons or bows...Only the hair piece that is assigned to keep the uniform look among all the students.**
- It may help to practice putting your child’s hair up before the week of pictures & rehearsals so you are “free of worries”.
