Transitions To/From Class

- KMC/TGP staff will escort all dancers to and from TGP with their dance bags.
- Dancers are to already be dressed in their dance uniform under easy to remove school clothing.
- We will assist Ballet/Tap dancers with changing in and out of their school and dance attire.
  While we are happy to assist dancers, we encourage students to work on independence.
  To help, please:
  - Pack **easy-to-change clothing** (e.g., leggings, slip-on shoes, pull-on shirts).
  - **Avoid** items like high-top sneakers, combat boots, or clothing with tricky ties, buttons/zippers.
    This helps minimize transitions and ensures dancers don't miss valuable class time!
